Premium Coconut Shell Briquette Exporter

The background of the slide features a close-up photograph of several dark brown, irregularly shaped coconut shell briquettes. These briquettes are stacked and arranged in a way that shows their textured, porous surfaces and the small circular holes drilled into them. The lighting is soft, highlighting the natural grain and imperfections of the coconut shells.

# About Us

PT Primaloka Pratama Global is an Indonesian company established in 2025, located in Gowa, South Sulawesi. We are dedicated to exporting high-quality coconut shell briquettes that serve as clean, renewable energy sources. Our mission is to transform Indonesia's abundant coconut shell waste into premium energy products for international markets.

# LEGAL STRUCTURE

PT Primaloka Pratama Global is legally registered by the Ministry of Law and Human Rights (Kementrian Hukum dan Hak Asasi Manusia) and Ministry of Investment (Kementrian Investasi/Badan Koordinasi Penanaman Modal).

# Vision & Mission

## Vision:

- To be the world's leading exporter of coconut shell briquettes – transforming Indonesia's coconut shell waste into high-value clean energy, meeting global demand, and driving a green economy and the sustainable welfare of local farmers.

## Mission:

- Empower Local Producers

Partner with certified coconut shell briquette manufacturers to ensure consistent quality, ethical sourcing, and long-term impact on rural livelihoods.

- Deliver Premium Products

Provide high-quality, eco-friendly briquettes that meet the specifications of clients across the Middle East, Europe, Asia, and beyond.

- Ensure Reliable Supply Chain

Streamline logistics and export processes to guarantee timely delivery, stable pricing, and worry-free transactions.

- Promote Sustainability

Support a cleaner planet by championing renewable, low-emission fuel alternatives derived from coconut shell waste.
